This 4-day intensive is for Black (African) people who are building or wanting to build with and for our people. Regardless of profession or training, we re-commit ourselves to **our healing and strengthening**. Do you know how to **confront as a healer**? Do you know how to use our cultural strengths to counter conflicts and sickness born of oppression in us and among us. Come, **become renewed & more skilled** at challenging oppression and healing its internalized manifestation among our people.
